

**THE CITY OF MARIETTA
MARIETTA, GEORGIA**

September 8, 2016

**ADDENDUM NO. 1 TO:
CITY OF MARIETTA PROPOSAL NO. RFP-17-039449
FOR
CRANE RENTAL WITH OPERATOR & CREW**

Change or add the following in the above referenced proposal:

Clarification below includes question asked regarding tire specification and pricing.

1. What exactly will we be lifting that weighs 16,000 Lbs?
Answer: In the past, we have had the current vendor pick up anything from 3 phase transformers to concrete poles. The weight will vary depending on the needs of the job.
2. When you mention crew, how many people are you typically expecting?
Answer: The current vendor usually sends a total of two employees.
3. Will ALL Crane supply all of the rigging and riggers?
Answer: Yes, the current vendor usually supplies all of the rigging.
4. What do you mean by "Emergency fee schedule?"
Answer: This speaks to how much they will charge if we need them in the middle of the night. I think the current rate is a minimum of 4 hours but not sure.
5. How many times per year would the City of Marietta use cranes for this particular proposal?
Answer: On average we have used the current vendor a total of two to three times a year over the past few years.

All bidders must sign this Addendum below and include with your bid.
